

Snow Day Art Lesson

The lesson includes instructions and a drawing guide plus if you have access to the internet (even on a Smartphone) you can use the link to follow a Draw Along Video (there are other drawing projects on the page as well that you could try out)

A blank piece of paper has been provided for you but you can use any paper you have available at home, if you have a sketchbook you can use that as well. The lesson can be colored by using crayons, markers, colored pencils, or if you have none of those materials at home you can simply use a pencil or pen to create a black and white version.

I have also included a Roll a Dice Drawing Activity you can do with everyone in your house. You will need to borrow a dice from a board game. All you need to do is roll the dice to determine what you need to draw. Once the drawing is complete you can add color.

Hope you enjoy your Snow Day Art Lessons and see you soon,

Mrs. Mitchell

What You'll Need

ADVENTURE BACKPACK

* Today I will learn about **LINE** and **SHAPE** so that **I CAN** draw an adventure backpack with things inside.

* **NCAS: CREATING** Anchor Standard #1: Generate and conceptualize artistic ideas and work.

1. Give each student a piece of **white paper** and pass out **pencils, markers** and **crayons**.
2. Turn the paper horizontal and then fold it in half. For a single-layer version, use one 9" x 12" piece of white paper and work front and back.
3. Either draw an example of the backpack on the board with students following along or play the draw along video.
4. Students can use a **pencil** to draw and then trace over the lines with a **black marker** later or use the black marker to begin with.
5. Draw a backpack with the students using the "**Adventure Backpack Drawing Guide**" on the next page.
6. With the paper still folded, cut along the top outline to create a more realistic backpack shape.
7. Once the backpack is cut out, add additional details to the front of the backpack and objects "inside" by using the "**Adventure Backpack Handout**" as inspiration.
8. Students can use combination of **crayons** and **markers** to add color. Crayons work great for filling in large areas with color quickly.
9. Provide instructions for art (*take home, portfolio, etc.*) as outlined on the line below:

WHAT YOU'LL NEED:

- 12" x 18" or 9" x 12" white sulphite paper
- Pencils, markers and crayons
- Black permanent marker (optional)
- Scissors (optional)
- Backpack Drawing Guide
- Adventure Backpack Handout

1

Fold a 12" x 18" piece of white sulphite paper in half like a book. Draw a long curved line from one side to the other near the top.

2

Round the bottom corners and draw two straps and a loop at the top. The straps should touch the top edge of the paper.

3

Draw a top pocket with a straight horizontal line and series of short lines to show a zipper.

4

Use lines to add a section of bungees in the middle of the backpack.

5

Draw a bottom pocket with a rounded lower half of a rectangle and a zipper line.

6

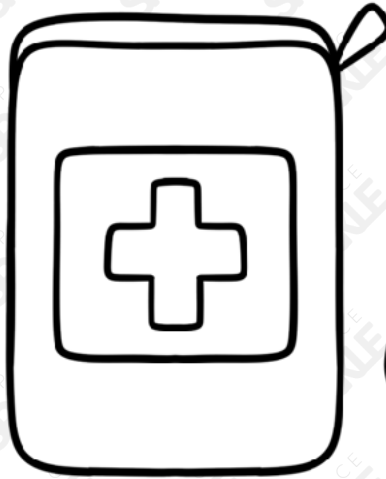

Add additional details like a badge or pin. Use scissors to cut along the outline with the paper still folded to create the interactive backpack shape.
