IRSPA is proud to present a scholarship to a senior graduating in May of the current school year 2024-2025

The Parent in Heaven (PH) Balance Scholarship

The PH Balance Scholarship is intended for a high school senior who, at any time in his/her life, has lost a parent or legal guardian and forever feels that void. As educators and people who have worked in some capacity with children in the schools, we know the importance of family and parents. When the unspeakable happens, we want students to know that we understand and wish to bring some balance into his/her life in the form of a scholarship.

Our \$1,000 scholarship will be presented during the May 2025 District meetings. The students will be selected from schools within IRSPA Districts One, Two and Six. Qualifying students living or going to high school in those counties may apply for the scholarship.

Qualifying students may plan on attending a four-year college, a community college, or a technical school with plans to earn a degree or diploma for their desired field of study. The scholarship is payable to the school after the successful completion of the first semester and continued enrollment for the second semester. Applications may be obtained by contacting an IRSPA District Coordinator, Scholarship Chair of IRSPA (Jean Hoffman), or by going to irspa.org, About tab, scholarship.

Application Cover Sheet

As teachers or people involved with schools, we understand the necessity of the support that comes from the home and the void that is created when a child loses a parent, both parents, or legal guardian due to death. There is a void that can never be fully filled. The PH stands for a parent in heaven. Balance is the support that is given to the child in the form of a scholarship. We know that nothing can ever fill that void or bring the parent back, but we want the child and his/her family to know that no matter when or how you lost your parent, we recognize that void and would love to show you our support and wishes for a bright future.
