

Health Care Careers Scholarships

We can help if you're planning or considering a career in health care.

The Iowa Hospital Education and Research Foundation, A subsidiary of the Iowa Hospital Association, provides two types of scholarships:

- Postsecondary health care – Up to \$3,000 per year (two years maximum).
- Emergency medical technology/technician certification program – Up to \$1,000 to students enrolling in emergency medical technology/technician certification programs.

Applicants must be in a college degree program to be eligible. Applications must be submitted by Friday, Feb. 28, 2025. Click here to apply: <https://apply.mykaleidoscope.com/program/iherf2025>.

Contact Jen Nutt at the Iowa Hospital Association with questions: nuttj@ihaonline.org or 515-288-1955.

IHERF does not discriminate against applicants because of race, religion, color, sex, age, national origin, creed, gender identity, sexual orientation, mental or physical disability, military status or any other characteristic protected by law. IHERF encourages members of underrepresented groups to apply.
